FAQ

FREQUENTLY ASKED QUESTIONS

Do you offer classroom sets in a paperback edition?

BTSB offers over 20,000 paperbacks. If you are unable to find what you are looking for in our BTSB Bookstore, contact us!

My novels require barcodes so that I can inventory them, can you add that to my book order?

BTSB offers a **free processing** option on all books, and you can customize any of our other processing options to your specific needs.

I like adding Kapco covers to my paperbacks to help reinforce them, but it takes me so long. If I order my novels in paperback editions, can I have you apply the Kapco protective covers for me?

BTSB offers many processing services to save you time. Kapco covers can be added to any custom order quote so the books arrive ready to use.

If I order 30 (or more) copies of the same book in a BTSB prebound edition can I get our School Logo printed directly on the book cover?

Any prebound book order with 30 (or more) of the same book can be customized to include your school logo at no additional cost with our same **BTSB unconditional guarantee.**

THE BOUND TO STAY BOUND DIFFERENCE

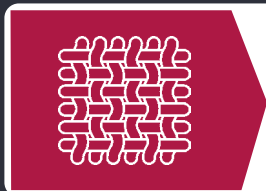

QUALITY. DURABILITY. PRESERVATION.

We go beyond basic book binding – every detail is designed to protect your investment and extend the life of your books.

BTSB PICTURE COVER PLUS™

Printed with the title's original artwork. A protective high tack gloss lamination is applied to further enhance protection, assure increased circulation, and making it surface washable with disinfecting wipes.

PREMIUM COVER MATERIAL

Our durable KidProof cover material is a nylon reinforced, material specially designed for BTSB. This material exceeds the LBI specification even before it is laminated. No other company uses this material.

LIBRARY CORNERS

A double fold of our cover material on both sides of all four corners reinforces the book corners and protects against fraying, bending, and turning – assuring greater durability and longer life.

EXTENDED BACK LINING

All back lining extends down the side of the book onto the pages 1" on each side. It acts as a bumper or "bearing" between the book and the cover for added protection.

BTSB INSPECTION SEAL

Every Bound to Stay Bound book is hand-inspected to ensure the highest quality and craftsmanship before receiving the gold seal on the inside front cover.

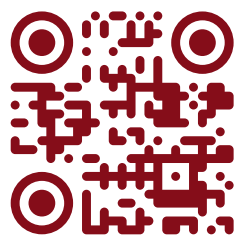

Our goal is to keep books off the repair/replacement pile and keep them in the hands of your readers.
Spend your budget money building a library collection instead of replacing damaged books.
